APPLICATION FOR WATER SERVICE AND WATER USER'S AGREEMENT

The undersigned being the owner of land located within the Rural Water Corporation boundaries, hereby makes application for water service and agrees to the following conditions:

1. Purchase one Benefit Unit for said service at the unit price of \$1,500.00. **(NON-REFUNDABLE MEMBERSHIP FEE)**
2. *Pay a minimum monthly meter charge established by the Board of Directors for water service from the time this application is accepted by the corporation and pay for additional water used at the rate set out in the rate schedule adopted by the Board of Directors. Any changes made in the minimum monthly water charges and rate schedule by the Board of Directors of the corporation shall become a part of the Agreement as though fully set out herein.*
3. When the Rules and Regulations / Policies and Procedure of the corporation provide *that the corporation will read the water meters* and submit bills for water; these bills shall be rendered by the corporation on or before the first day of the month following the month in which the water service is used, and the undersigned agrees to pay said service bill on or before the tenth day of the month in which the bill is rendered, or be subject to a late charge of ten-percent. Failure of the corporation to submit a service bill shall not excuse the undersigned from his or her obligation to pay for the water service used when the bill is submitted.
4. **Failure to pay a bill within ten days of its due date shall result in discontinuing the service. Resumption of service requires all outstanding fees to be paid in person in the office with cash or money order, including a reconnect fee of \$50.00.**
5. The services supplied by the corporation shall be for the sole use of the undersigned. **The undersigned agrees that he or she will not extend or permit the extension of pipes for the purpose of transferring water from one property to another, nor will he or she share, resell, or sub-meter water to any other consumer. Each meter service shall supply water service to only one residence or business establishment located on land within the corporation.**
6. If, after water service is made available and same is disconnected or discontinued for any purpose, pursuant to the By-Laws and the Rules and Regulations / Policies and Procedure of the corporation, reconnection shall be upon the conditions set out in the By-Laws and the Rules and Regulations / Policies and Procedure of the corporation.
7. The undersigned agrees that he will make no physical connection between any public or private water system and the water system of the corporation. Representatives of the corporation may at any reasonable time come on the premises where the water is being used for the purpose of making inspection to enforce this provision. Violation of this provision shall be grounds for disconnection of service.
8. The laws of the State of Oklahoma, the By-Laws of the corporation, and the Rules and Regulations / Policies and Procedure of the corporation, as presently existing, and as may be amended from time to time are made a part of this agreement as though fully set out herein.
9. The tract of land that Benefit Unit is to be assigned is specifically described as follows:

☐ See attached Deed of Record as filed in the County Clerk's office.
10. Each applicant for water service must give a perpetual easement for the lines crossing his or her land.

11. The corporation shall have the right to locate a water meter, service pipe to the meter and main line on the property of the Benefit Unit holder at a point chosen by the corporation. The corporation shall have access to its property and equipment located on the Benefit Unit holder's premises at all reasonable times for any purpose connected with or in the furtherance of its business operations. The corporation, upon the discontinuation of service, shall have the right to remove any of its property from the Benefit Unit holder's premises. For such purpose, the Benefit Unit holder grants the corporation an easement upon the premises.
12. Water meter shall be located so that it allows easy access for monthly meter reading and inspection. Water meter may not be located behind any fence unless the owner provides a non-locked gate.
13. This agreement is subject to West Davis Rural Water Corporation, Garvin County, Oklahoma Board's Approval. **Transfer of this Benefit Unit** is subject to West Davis Rural Water Corporation, Garvin County, Oklahoma Board's Approval and a Transfer Fee.

New Member to West Davis Rural Water Corporation, Garvin County, Oklahoma shall provide copy of Deed of Record. Please enclose with this application.
